Pursuant to Art. 14 sec. 1(4) of the Act of July 20, 2017 Water Law
(Journal of Laws 2023, 1478, i.e.)
and Art. 43(6) of the Act of December 21, 2000 on inland navigation
(Journal of Laws of 2022, item 1097 as amended).

**State Water Holding "Polish Waters"
Regional Water Management Board in Lublin**

informs that due to the preparation of hydro-technical facilities for the winter season and the forecast of the hydro-meteorological situation, the removal of floating markings on the Bug river waterway at km 42+200 – 224+200 was started.

Therefore, navigation on the abovementioned section is permitted only under the condition of knowledge of local navigational conditions and with particular caution.

Information on the closure of the waterway for the winter season, after the complete dismantling of the floating marking, will be published in a separate Navigation Announcement.

Detailed information on shipping conditions can be obtained from: The Catchment Management in Sokołów Podlaski phone: (+48 (25) 781-28-58); Opening hours: from Monday to Friday between 8.00 a.m. to 16.00 p.m.

The above information has been posted on RWMB Lublin's website in the Navigation Announcements tab: <https://lublin.wody.gov.pl/komunikaty-nawigacyjne>.
